SCHEDULE FOR CLASS-XII

Dear Parent,

It gives me immense delight to inform you that first term of this academic year has been very eventful at school. The apex body leaders and senior secondary students have made note worthy contribution in successfully conducting various key events at school such as MUN, Independence Day, Teachers' Day etc. They have enthusiastically participated in interschool competitions and inter house literary, cultural and sports events. The academic session progressed smoothly. The students have appeared for regular cycle tests and unit tests. Parent Teacher meetings held after unit test-1 have paved way for improved performance in the second unit test.

In an effort to bring about desirable results in the board examination the staff of senior secondary grade has come up with a revised academic plan for class XI & XII Science & Commerce stream. We have decided to conduct regular teaching classes from 26-09-2018 to 6-10-2018 instead of Term-1 exam as proposed earlier. This will enable completion of syllabus in advance, followed by three pre-board exams interspersed with effective review sessions. We hope this rescheduling of exams will not only help students revise thoroughly and understand the board examination pattern but also empower them with time management skills which is the key to success. Please note that there is no change in the first & second term vacation schedule.

School bus facility is available to students on all the working days. All the school buses will ply on regular routes in the morning on the following dates-27th, 29th September & 1st, 3rd, 5th and 6th October 2018. During return trip students can travel by staff buses that ply on selected routes. The details of the Bus routes are enclosed herewith.

On the other working days students are expected to use staff trip plying on selected routes both in the morning and evening. Please note private transport students are also allowed to use the school transport during this period.
