Dear Parents,

We are extremely thankful for the unstinted support of parents, in particular, during this pandemic period by paying the school fees regularly. As we entered into 2nd term (August – November, 2020), we request the parents to remit the tuition fees of their ward studying in the school for every month not later than 10th of the following month for credit to Account No.112210011000001 (for classes I to XII), Account No.112210011000456 (for classes LKG & UKG) of Andhra Bank, (savings bank account) IFSC Code No.ANDB0001122, Film Nagar. Kindly mention admission number (if not known, kindly contact Class Teacher) of your ward while making payment 'online'. As regards the monthly rate of tuition fees, you may please see the school website. Parents who can afford may please continue to pay the full fees as usual. There is no increase in the fee structure for the academic year 2020-21.

Thanking you,

Yours sincerely,

(G.ARUNASREE),
