Vigilance day

On **1st Nov** – **Social department** organized **Vigilance Day** to give **awareness** to the students of Bhavan's. **Mr. Vijay, a civil engineering student of B.Tech 3rd year** was invited as a special guest to **motivate students** of Bhavan's to fight against the social evil practice of corruption and to explain the duties of a student to develop India as a super power of the world without corruption.

Mr. Vijay explained due to this evil practice of corruption and mismanagement of funds how rural people and people under poverty line are suffering without medical facilities, without school buildings and how students walk miles away from their native places due to lack of transport facilities to reach their schools and colleges to seek education. He emphasized that students not only speaking about corruption but also to feel the social responsibility to discourage people who are involved in this mal practice.

Mr. Vijay, raising his voice against corruption

Mr. Vijay also enlightened students about the use of Human scavengers even in this modern era by directing the funds allotted to them for other selfish purposes by the officials. He described the miserable life they are made to live and diseases they are affected due to their chores to clean human excreta. He made students to think how can we all change their miserable lives.

He also spoke about 5th pillar of India, **Zero Money**. He distributed the samples of zero currency to teachers and students as a part of awareness on vigilance day. Students were mesmerized to listen to his action plan and fight against corruption as students of India. At last all students took a pledge to free India from corruption.
